CURRICULUM VITÆ

Frédéric KOESSLER

Nationality: French
Date of birth: 29.07.1975
Married, 2 children

Professional address: Paris School of Economics
48, Boulevard Jourdan, 75014 Paris, France
E-mail: koessler@pse.ens.fr
Tel.: (33) 1 43 13 63 85

Private address: 365 rue de Vaugirard, 75015 Paris, France
Tel.: (33) 9 51 00 41 88

Fields of specialization

Non cooperative game theory: incomplete information, communication, strategic information certification, mechanism design, bounded rationality, experimental economics.

Education

• Habilitation à diriger des recherches, 2009.
• Ph.D. in Economics, University of Strasbourg, 2001.
• Degree of advanced studies in Economic Analysis, University of Strasbourg, 1998.

Academic positions

• Since 2007: Chargé de Recherche CNRS and affiliated Professor at Paris School of Economics.
• 2002–2007: Chargé de Recherche CNRS at Thema, University of Cergy-Pontoise.
• 1998–2002: Teaching assistant, University of Strasbourg, Department of Economics.

Invitations to Research Centers

• April 2010: CIREQ, Université de Montréal.
• February–March 2010: Department of Economics, University of California San Diego.
• June 2006 and June 2007: Department of Economics, Universitat Autonoma de Barcelona.
• April, May and September 2003: Max Planck Institute for Research into Economic System, Jena.

• April and May 2001: CERAS, École Nationale des Ponts et Chaussées, Paris.

Research

Publications

**Working papers**

- “Optimal Delegation with Multidimensional Decisions” (with David Martimort), submitted.
- “Committing to Transparency to Resist Corruption” (with Ariane Lambert-Mogiliansky), submitted.
- “Individual Behavior and Beliefs in Parimutuel Betting Markets” (with Charles Noussair and Anthony Ziegelmeyer), under revision.
- “Using or Hiding Private Information? An Experimental Study of Zero-Sum Repeated Games with Incomplete Information” (with Nicolas Jacquemet), submitted.

**Editorial Positions**

- Member of the Editorial Board of the *International Journal of Game Theory*, 2008–
- Member of the Editorial Board of the *Annales d’Économie et de Statistique*, 2009–

**Selected Seminars**

- University of Rome Tor Vergata, November 2010.
- University College London, October 2010.
- University of Mannheim, May 2010.
- Université de Montréal, April 2010.
- University of California San Diego, February 2010.
- University of Southern California, Los Angeles, February 2010.
• École Polytechnique, Palaiseau, November 2009.
• Université of Bristol, April 2009.
• Paris School of Economics, May 2008.
• University of Montpellier, March 2008.
• University of Leicester, March 2008.
• Toulouse School of Economics, October 2007.
• Alicante University, June 2006.
• Universitat Autonoma de Barcelona, June 2006.
• Caen University, April 2006.
• University College London, January 2006.
• Copenhague University, Theory Seminar, October 2005.
• Technion, Haifa, Game Theory Seminar, May 2005.
• Tel Aviv University, Game Theory and Mathematical Economic Research Seminar, May 2005.
• Hebrew University of Jerusalem, Center for Rationality, Game Theory Seminar, May 2005.
• University of Toulouse, Economic Theory Seminar, April 2005.
• Hebrew University of Jerusalem, Economic Theory Workshop, February 2005.
• Tilburg University, Game Theory Seminar, October 2004.
• Cergy-Pontoise University, Economic Theory Seminar, March 2002.

Selected Conferences

• CESifo Conference on Applied Microeconomics, 2009.
• World Congress of the Game Theory Society, Northwestern University, 2008.
• Workshop on Stochastic Methods in Game Theory, Erice, 2005.
• Summer Festival on Game Theory, Stony Brook, 2005.
• Summer Festival on Game Theory, Stony Brook, 2003.
• European ESA Meeting, Strasbourg, France, 2002.
• CORE Summer School on “Information in Games, Markets and Organisations”, Louvain la Neuve, 2000.
• Young Economists’ Conference, Oxford University, 2000.

Main Teaching

• Decision Theory, Game Theory, Strategic Information Transmission and Theory of Incentives at Paris School of Economics, ESSEC Business School (Cergy-Pontoise), École Nationale des Ponts et Chaussées (ENPC), University of Cergy-Pontoise and University of Paris 1.

• Correlation, communication, information transmission, Game Theory Summer School at Aussois (France) on “Information transmission, repeated games, learning”, June 2010.

Miscellaneous

• CNRS Bronze Medal, 2010.
• Distinguished CESifo Affiliate in Applied Microeconomics, 2009.

• Organizer of the international workshop “Information Transmission and Persuasion in Games” (http://sites.google.com/site/workshopsit2010/) at PSE, December 2010.
• Co-organizer of the Game Theory Seminar in Paris (Institut Henri Poincaré) since 2005.
• Organizer of the microeconomic theory lunch seminar at University of Cergy-Pontoise (2005–2007) and Paris School of Economics (since 2007).

• Ph.D. supervising:
